

In collaboration with The Independent Funeral Group, Funeral Compliance, LLC, and East Tennessee Cremation Company, we are beginning in-person continuing education credits to assist Licensed Funeral Directors and Embalmers. These seminars will be scheduled for one Saturday each month. Each seminar will require a registration form to be completed and can be accessed on [www.tifg.net](http://www.tifg.net). A maximum of “15” seats will be offered for each program, and it will also be first come first serve. This is a requirement based on our limited space. More courses will soon be available and will be announced upon approval. The presenter will verify attendance and will also submit to the State of Tennessee. We are hoping to ease the pressure of receiving in-person credits and at an affordable rate. All courses will cost \$25.00 per credit.

The first program is as follows:

**Bloodborne Pathogens and Ethics: 3 CEU’s**

Instructor: Dr. Brad Kuchnicki

Date: August 26, 2023

Time: 9:00 AM – 12:00 PM

Location: East Tennessee Cremation Company

Cost: \$75.00

**Checks can be made payable to: Funeral Compliance, LLC**

**If paying by credit card, please provide the email for billing.**
